

Articulation and Pathways

Advanced standing will be given into the Bachelor of Applied Science (Aviation) program for students who have successfully completed a recognised qualification or a combination of a recognised qualification and relevant work experience that aligns with different qualification categories.

The following table shows the maximum amount of credit points granted depending on the qualification category, where qualifications are Polytechnic Diplomas or Advanced Diplomas from institutions in Singapore. Equivalent qualifications, qualifications in equivalent areas and equivalent combinations of qualifications and relevant work experience will be considered on a case-by-case basis.

Educational Institution	Academic Qualification	Credit Points Granted	Qualification Category
