	Diploma in Integrated Facility Management	W
Air Transport Training College	Specialist Diploma in Aircraft Maintenance & Engineering	J

Exemptions provided will be specific for each of the above listed qualifications. Other relevant qualifications will be considered on a case-by-case basis.

If an applicant does not satisfy the university minimum academic entry requirement, they may be able to satisfy the requirement if they can produce evidence of other equivalent qualifications or combination of qualifications and experience for assessment by RMIT University on a case-by-case basis.

Applicants with the approved diplomas are required to complete the Preparatory modules depending on the advance standing specified, before continuing with the remaining modules in the degree programme.

**Category (AAA*) has been identified by RMIT as a Diploma appropriate for programme entry but - depending on the area of specialization – each application will be assessed on a case-by-case basis to determine the eligibility for specific course credit(s).
