 Singapore
Institute of
Management

SIM Campus,
Singapore

ABOUT SIM

The Singapore Institute of Management (SIM) is an International Institute of Higher Learning (IIHL) that empowers, uplifts and strengthens employability at all seasons of life and starting points. Seeded by the Singapore Economic Development Board in 1964, SIM nurtures leaders for the future of work, with industry relevant skills, knowledge and values to create impact in Singapore and Asia through internationally recognised education and learning pathways.

SIM harnesses new knowledge, skills, and technology to provide skills-based learning experiences that enable students, professionals, and enterprises to Learn for Life and Thrive for Life. Through SIM Global Education (SIM GE) and SIM Academy, SIM supports diverse learning needs—offering higher education pathways and tailored learning journeys for learners, working professionals and enterprises to adapt, grow, and stay employable in an ever-changing world.

With a steadfast commitment to transforming lives, SIM continues to be a catalyst for positive social and economic change across communities, inspiring learners to contribute meaningfully to society, and fostering shared progress and upward mobility.

About SIM Global Education

SIM Global Education (SIM GE) is a leading private education institution in the region. Awarded the EduTrust Star award since 2022, we offer more than 170 academic programmes ranging from diplomas and graduate diploma programmes, to Bachelor's and Master's degree programmes in partnership with some of the world's most reputable universities from Australia, Canada, Europe, United Kingdom, and the United States. SIM GE's cohort is made up of about 17,000 full- and part-time students and adult learners, of which approximately 41% of students enrolled in full-time programmes are international students hailing from around 50 countries.

At SIM GE, we are committed to strengthening learners' employability through industry-relevant curricula, applied learning experiences, and opportunities to develop critical soft skills. We also champion accessible pathways that empowers learners of all backgrounds to thrive through lifelong learning, regardless of their starting point or circumstance.

SIM GE's holistic learning approach and culturally diverse learning environment equip students with knowledge, industry competencies, and global perspectives to succeed in a fast-changing, technologically driven world.

Dr Richard K M Eu – SIM Social Entrepreneurship Centre

The Dr Richard K M Eu – SIM Social Entrepreneurship Centre (RESSEC) was officially opened on 30 July 2024. This partnership between SIM and its Founding Chairman's family - the Eu Family - is poised to elevate the impact and social consciousness within Singapore's social service sector.

RESSEC is set to provide postgraduate and professional development programmes, including the bespoke Specialist Diploma in Social Entrepreneurship (SDSE) facilitated by SIM. The first intake of the SDSE programme commenced in July 2024.

The SDSE programme aims to empower learners to address pressing social issues through innovative problem-solving approaches. By immersing learners in this ethos, the programme deepens their understanding of the world and inspires them to be agents of positive change.
