MESSAGE FROM UNIVERSITY OF BIRMINGHAM

Dear Graduates,

It is with the greatest pleasure that I extend a warm welcome to you as part of the 2023 graduation ceremony of the University of Birmingham in Singapore.

The University has a long association with Singapore and 2023 marks 30 years of us delivering education in this wonderful country. The MBA was the first programme taught in Singapore, starting in 1993. From those humble beginnings has blossomed a highly valued long-term partnership with SIM – which has grown from strength to strength over its 14-year history. We launched the BSc (Honours) Business Management programme in 2009 and since then our commitment to this partnership has matured considerably, with us now offering a range of undergraduate and postgraduate programmes across various business and management disciplines. We are proud to be part of your career aspirations and SIM's excellent teaching and learning facilities, coupled with the quality of faculty from Birmingham, provided you with the skills, knowledge, and educational experience needed to address the global challenges in a responsible and sustainable way.

Today we are celebrating your achievements and we are delighted to see so many of you marking the culmination of your studies. We hope you will enjoy this special day and celebrate your success with those most important to you. We are very proud to have you as graduands and look forward to hearing from you as you make your mark on the world and progress your careers. We see today not only as the pinnacle of all your hard work, but as the beginning of a long alumni relationship with the University of Birmingham.

Congratulations to you all.
