## Private Education Act

The Private Education Act was legislated in December 2009 to regulate the private education institutions (PEIs) in Singapore. The regulatory regime, as set-out under the Private Education Act and its subsidiary legislation, comprises the Enhanced Registration Framework and the EduTrust Certification Scheme, both administered by the Committee for Private Education (CPE), a part of SkillsFuture Singapore (SSG).

Singapore Institute of Management Pte Ltd (SIM PL), in meeting the regulatory requirements under the Private Education Act, has put in place the following:

- Adoption of the Standard PEI Student Contract template from CPE
- Allowing students a cooling-off period of 7 working days after signing the PEI-Student Contract
- Protection of students' fees under the Fee Protection Scheme
- Transparent refund, course transfer, leave of absence and withdrawal policies
- Commitment in maintaining the confidentiality of students' data
