SIM – UNIVERSITY OF WOLLONGONG GRADUATION CEREMONY

27 MARCH 2026

Singapore Institute
of Management

SIM Campus,
Singapore

MESSAGE FROM THE CHANCELLOR UNIVERSITY OF WOLLONGONG

May I welcome all of you to this presentation ceremony for graduates from the University of Wollongong. We are proud that this graduation is held in collaboration with Singapore Institute of Management.

The achievements of those graduating today add to the growing reputation of the University of Wollongong, not only in Singapore and Australia, but also throughout the world. Since its foundation, the University of Wollongong has built an international reputation for world-class research and exceptional teaching quality.

The University was ranked among the top 1% of universities in the world by performance in the QS World University Rankings 2026 and ranks 16th in the world in the Times Higher Education Young University Rankings 2024.

We are also proud to consistently rank among the top 200 universities in the world for the quality of our graduates.

As new graduates you now become part of UOW's own proud history and join an alumni network of over 191,000. Graduation marks the conclusion of this stage of your association with the University, but it is the commencement of your lifelong membership of a community of UOW alumni. I encourage you to maintain a continuing relationship with your fellow graduates, and the University, through the Alumni Association.

For nearly 900 years universities have educated and trained the leaders of society and produced ideas and instruments of great social change. We expect that our graduates will continue this contribution and play a leading role in their community. Our investment in universities is justified by the richness which higher education can bring to graduates' lives and, through them, to the growth and well-being of many others in society.

The University wishes you every success and fulfilment in your future careers and in your future learning. We hope that your experience of university life and the knowledge and skills you have gained along the way will help you to play a full and active role in your chosen field or profession and in the wider community.

MESSAGE FROM THE CHANCELLOR UNIVERSITY OF WOLLONGONG

Many people at this ceremony today have given their support, encouragement and guidance to you during your studies and I am pleased that they are here to share in this occasion. I thank you also for your contribution to the success that we are here to celebrate.

May I again extend my very best wishes to the graduands for a happy and memorable graduation day.

Mr Michael Still

Chancellor

University of Wollongong Australia

ABOUT THE UNIVERSITY OF WOLLONGONG

UOW is a young, dynamic and innovative university that over its 50-year history has become one of the best of Australia's new generation of universities. UOW offers programs across both undergraduate and postgraduate levels to more than 35,000 students around the world.

We're globally recognised for delivering impactful research that drives positive change. UOW ranks equal 184th in the world and 13th in Australia - QS World University Rankings 2026 and in the world's top 250 universities, and 11th in Australia, in the 2026 edition of the prestigious Times Higher Education World University Rankings 2026.

These rankings reflect the underlying excellence of our teaching and research. We are justifiably among the top one per cent of universities in the world.

We have a strong reputation for creating a positive impact in our local and global communities through our teaching and research. This impact informs everything we do and shapes our university's purpose now and for the years to come.

In addition to our research impact, we produce some of the world's most employable graduates, by anticipating emergent industries and future jobs to prepare them for the future of work. Our graduates are ethical, mobile, technologically literate, and ready for multicultural workplaces.

Through our researchers, students, graduates and staff, we're working towards a more sustainable and equitable future for all. Now, more than ever, it's our responsibility to continue to use our knowledge and influence for the betterment of society.

The University delivers its world-class degrees to students in Singapore, Malaysia, the People's Republic of China, Hong Kong S.A.R., India and the United Arab Emirates. Within Australia, in addition to our Wollongong campus, the University has three campuses in Greater Sydney and four regional campuses across the state of New South Wales.

ABOUT SIM

The Singapore Institute of Management (SIM) is an International Institute of Higher Learning (IIHL) that empowers, uplifts and strengthens employability at all seasons of life and starting points. Seeded by the Singapore Economic Development Board in 1964, SIM nurtures leaders for the future of work, with industry relevant skills, knowledge and values to create impact in Singapore and Asia through internationally recognised education and learning pathways.

SIM harnesses new knowledge, skills, and technology to provide skills-based learning experiences that enable students, professionals, and enterprises to Learn for Life and Thrive for Life. Through SIM Global Education (SIM GE) and SIM Academy, SIM supports diverse learning needs—offering higher education pathways and tailored learning journeys for learners, working professionals and enterprises to adapt, grow, and stay employable in an ever-changing world.

With a steadfast commitment to transforming lives, SIM continues to be a catalyst for positive social and economic change across communities, inspiring learners to contribute meaningfully to society, and fostering shared progress and upward mobility.

About SIM Global Education

SIM Global Education (SIM GE) is a leading private education institution in the region. Awarded the EduTrust Star award since 2022, we offer more than 170 academic programmes ranging from diplomas and graduate diploma programmes, to Bachelor's and Master's degree programmes in partnership with some of the world's most reputable universities from Australia, Canada, Europe, United Kingdom, and the United States. SIM GE's cohort is made up of about 17,000 full- and part-time students and adult learners, of which approximately 41% of students enrolled in full-time programmes are international students hailing from around 50 countries.

At SIM GE, we are committed to strengthening learners' employability through industry-relevant curricula, applied learning experiences, and opportunities to develop critical soft skills. We also champion accessible pathways that empowers learners of all backgrounds to thrive through lifelong learning, regardless of their starting point or circumstance.

SIM GE's holistic learning approach and culturally diverse learning environment equip students with knowledge, industry competencies, and global perspectives to succeed in a fast-changing, technologically driven world.
