Swanston Academic Building,  
RMIT University,  
Australia

# CHANCELLOR'S WELCOME

## Well done!

**On behalf of the Council of RMIT University, it is my privilege to congratulate you, our new graduates.**

We are a world-class university of technology, design and enterprise, committed to preparing our students with the skills and personal attributes they need to achieve their goals and contribute to a world in need of their expertise.

RMIT's high quality, professional education and our exceptional research respond to the changing nature of our communities and to industry aspirations. This is why we have such a strong global reputation for graduating work-ready professionals across all fields of endeavour.

As graduates, you also become ambassadors for RMIT and I hope you will make the most of connecting with the global community of alumni you now join. This is a truly significant moment in your life and a huge achievement; well done and I wish you a bright and rewarding future.

A handwritten signature in black ink, reading "Peggy O'Neal".

**Peggy O'Neal AO**  
Chancellor  
RMIT University

## VICE-CHANCELLOR'S WELCOME

### Congratulations

**On behalf of our University community, it is my great pleasure to congratulate you on reaching this significant milestone in your life.**

Today more than ever, we need global citizens who are adaptive and prepared for complex environments. Your RMIT Graduation is an enormous achievement because it tells the world that you are a resilient and determined person.

We are so proud of the effort you have invested in your education and wish you well as you move into the next exciting stage of your life. Thank you also to the parents, family and friends who have provided support every step of the way.

May your journey with RMIT stand you in strong stead and, remember, you are always welcome back. These days we know that our education is lifelong, and it is a privilege to have our graduates return time and again.

Congratulations!

A handwritten signature in black ink that reads "Alec Cameron." The signature is fluid and cursive, with a long horizontal stroke at the end.

**Professor Alec Cameron**  
Vice-Chancellor and President  
RMIT University

## ACADEMIC REGISTRAR'S MESSAGE

### Graduation is an exceptional achievement

**Well done to all of our RMIT graduates!**

Graduation marks the attainment of a significant milestone in a person's life. The conferral of your award today is testament to your skills and determination to succeed in your chosen field of study. Following years of dedication, including through the most challenging of times, you have successfully achieved your goal; you are now ready to begin your next chapter in life and work.

On behalf of the RMIT University community, I wish you every success in your future endeavours; I am certain you will go on to accomplish a great many things.

A handwritten signature in black ink, appearing to read 'Merlino', with a stylized flourish at the end.

**Connie Merlino**  
Academic Registrar  
RMIT University

# INTRODUCTION

## **BACHELOR OF APPLIED SCIENCE (AVIATION)**

The Bachelor of Applied Science (Aviation) program provides graduates with a range of analytical skills and a comprehensive appreciation of the aviation operating environment. Graduates will develop breadth and depth of thinking, and the ability to solve problems relevant to the aviation industry. With a rapidly growing population that seeks to travel internationally, professionals in the aviation industry are in demand across the globe, especially in the post pandemic world. The program prepares graduates to play an important role in meeting the needs of the aviation industry, and RMIT graduates continue to be highly employable.

## **BACHELOR OF APPLIED SCIENCE (CONSTRUCTION MANAGEMENT) (HONOURS)**

The Bachelor of Applied Science (Construction Management) (Honours) is a two-and-a-half-year part-time programme. The programme comprises of 12 modules (including a research project) undertaken over 5 semesters. The programme is designed to offer those holding a diploma in building or a related discipline the opportunity to upgrade their knowledge and skills to a bachelor's degree.

The programme is offered on an advanced standing status to students with the relevant academic and professional achievements.

## **BACHELOR OF BUSINESS (ACCOUNTANCY)**

The Bachelor of Business (Accountancy) is a fully accredited Australian undergraduate degree, and is the first programme to be given approval by Chartered Accountants Australia and New Zealand (CAANZ) and CPA Australia to offer local variants in Singapore Tax and Singapore Company Law. Upon successful completion of the programme, students are eligible for Associate membership with Chartered Accountants Australia and New Zealand (CAANZ) and CPA Australia and other professional accounting bodies. This programme was launched in Singapore in 1993 and its continued successful operation is testament to its quality and rigour. The programme has two intakes a year.

## **BACHELOR OF BUSINESS (ECONOMICS AND FINANCE)**

The School of Economics, Finance and Marketing (EFM) is responsible for a range of discipline programmes and related majors at RMIT University and maintains high quality and innovative teaching that continues to adapt to stakeholder needs. Aside from Economics, Finance, and Marketing, the School has also more recently introduced studies in Blockchain Enabled Business, and Social Impact.

The multi-disciplinary nature of this School offers students a unique partnership with a diverse range of collaborators. EFM blends industry-relevant discussions through high-quality seminars, advisory boards, colloquiums and partner exhibitions with academic presentations and conferences, to ensure a successful

# INTRODUCTION

blend of quality teaching with a contemporary research agenda. As a result, the School provides practical, relevant, and innovative education, research, industry training and consulting which graduates, employers, industry and university peers acknowledge as amongst the best available in the international market place.

## **BACHELOR OF BUSINESS (INTERNATIONAL BUSINESS)**

The Bachelor of Business (International Business) programme has been introduced in July 2018 in Singapore. The programme enables students to develop an understanding of core business issues relating to financial markets, international trade, and global logistics and supply chain management, and to develop skills in cross-cultural management.

In addition, students will learn how to think critically about managing international business responsibly, and sustainably, about design and entrepreneurship, and gain insights into the institutional roles of business that reveal how the global political economy shapes, and is shaped by, international business organisations.

## **BACHELOR OF BUSINESS (MANAGEMENT)**

The Bachelor of Business (Management) programme is offered on a full-time as well as part-time basis.

The Management programme has been offered in Singapore since 1987, and has been one of RMIT's most popular programmes both in Melbourne and throughout the Asia-Pacific region. The programme

offered in Singapore combines the best of local expertise with RMIT's academic expertise.

Students will learn how to deal with complex issues, lead teams and make business decisions applicable across a variety of organisational structures. The Management programme will challenge students to consider the local impact of global changes to markets and business practices. The degree offers graduates an excellent basis for both supervisor and management practice in a range of professional, commercial, industrial and not-for-profit organisations.

## **BACHELOR OF BUSINESS (MARKETING)**

The Bachelor of Business (Marketing) degree focuses on developing skills, knowledge and practices that are embedded in industry and stakeholder expectations.

Our graduates have researched markets and customers, explored buyer behaviour, understood sales strategy and communication skills, built cutting edge strategies, and applied a variety of specialist marketing approaches, including retailing, brand development, product innovation and digital marketing, through a range of industry-relevant courses.

The marketing degree has been designed to prepare students for an international career in marketing through its blended delivery options, industry collaboration opportunities, showcasing of contemporary

# INTRODUCTION

marketing theories and a focus on customer understanding and insight development.

The Bachelor of Business (Marketing) full-time degree first commenced in Singapore. This degree is accredited by the Australian Marketing Institute.

## **BACHELOR OF BUSINESS (LOGISTICS AND SUPPLY CHAIN MANAGEMENT)**

The Bachelor of Business (Logistics and Supply Chain Management) programme prepares students to tackle business problems in the global marketplace and understand the complex world of logistics, supply chain and trade industries. Students cover areas that include procurement and global sourcing, operations management, warehousing and distribution channels, transportation and freight logistics, transport economic, retail and service logistics, supply chain technologies, supply chain analysis and design, and supply chain management strategy.

This degree is accredited by the Chartered Institute of Logistics and Transport Australia. Another important industry association supporting the programme is the Logistics and Supply Chain Management Society, Singapore.

## **BACHELOR OF COMMUNICATION (PROFESSIONAL COMMUNICATION)**

The Bachelor of Communication (Professional Communication) is a communications degree incorporating specialist study in Advertising and Public Relations. The interdisciplinary nature of the degree reflects the workplace reality of increasing integration of these professions. It encourages creative and critical thinking, and offers diversity in approaches to teaching and learning.

The program's capstone course will consolidate and extend your knowledge through individual and collaborative projects. Upon completion you will have a broad knowledge of the media and communications industries and be able to analyse issues, communicate informed ideas and apply independent judgement to problems within a global communications context.

Graduates can expect to work in professional roles, both local and international, in areas such as public relations, communication consultancies, corporate communication and advertising.

# INTRODUCTION

## BACHELOR OF DESIGN (COMMUNICATION DESIGN)

The Bachelor of Design (Communication Design) programme commenced in Singapore in 2002.

RMIT University has a reputation as a centre of excellence for teaching and research in design. Students develop expertise in visual language and strategic design processes based on a thorough knowledge of conceptual and visual design principles. These aptitudes are combined with students' individual design aesthetics and understanding of the technologies and media for production.

As a culmination of the programme, a graduation exhibition is held to showcase the students' design work. This is an important milestone for the graduating students as the process of preparing for the exhibition enhances their skills in organising a successful event comparable to that of the corporate world. It is also a good opportunity to showcase students' talent and creativity.

# **SESSION 1**

24 AUGUST 2022, WEDNESDAY  
10.00 AM

### **Academic Procession Enters**

## AWARDS SPONSORS

### THE ASSOCIATION OF CHARTERED CERTIFIED ACCOUNTANTS (ACCA)

ACCA (the Association of Chartered Certified Accountants) is the world's most forward-thinking professional accountancy body. We offer business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management.

We're also a thriving global community of **233,000** members and **536,000** students based in 178 countries that upholds the highest professional and ethical values.

We believe that accountancy is a cornerstone profession of society that supports both the private and public sectors. That's why we're committed to the development of a strong global accountancy profession and the many benefits that this brings to organisations, individuals and society.

Our qualifications develop forward-thinking professionals with the financial and business skills essential for the creation of sustainable economies and flourishing societies. Every day, ACCA professional accountants support people and organisations in making sound decisions and doing the right thing. We build public trust by creating an inclusive profession with people from all backgrounds, bound by a common global code of ethics and committed to updating their skills to meet ever-changing needs.

Since 1904 being a force for public good has been embedded in our purpose, and this powers everything we do. Like offering everyone, everywhere the opportunity to access a rewarding career in accountancy. By working in partnership with emerging economies

to establish their own professional accountancy organisations and grow their finance ecosystems. Through freely sharing our leading-edge research that answers today's questions and prepares us for tomorrow. And by supporting our global family of members, future members, and partners and developing the profession for the next generation.

We think ahead and lead the profession.

### CPA AUSTRALIA

Founded in 1886, CPA Australia is one of the world's largest professional accounting bodies representing more than 168,000 members working in 150 countries around the world, with more than 25,000 members working in senior leadership positions.

We have offices in markets throughout the world, including all Australian capital cities, Hong Kong, Beijing, Shanghai, Guangzhou, Indonesia, Malaysia, Singapore, Vietnam, New Zealand and the United Kingdom.

CPA Australia advances its members' interests through education and knowledge exchange, the development of professional networks, advocacy in relation to policy, standards and regulation and the promotion of value of CPA Australia members to employers, government, regulators and the public. The CPA Program goes beyond the numbers. It teaches you the skills that will help you reach the next level in leadership, strategy and business. Being a CPA gives you a competitive advantage over your peers. CPAs are internationally recognised and membership is associated with a strong legacy, international presence and thought leadership.

### DR RICHARD K M EU

Dr Richard K M Eu is Honorary Chairman as well as founder Chairman of the Governing Council of the Singapore Institute of Management. He was appointed Chairman when the Institute was established in 1964 and served in this capacity every year until 1996. Under his leadership, SIM grew from a fledgling institute to become the leading management and human resource development organisation in Singapore today.

### RICS INTERNATIONAL LTD SINGAPORE BRANCH

RICS is the world's leading professional body for qualifications and standards in land, property, infrastructure and construction. Incorporated by Royal Charter to lead the built environment globally, RICS promotes and enforces the highest professional qualifications and standards in the valuation, development and management of land, estate, construction and infrastructure.

The RICS qualification is a globally recognised mark of property professionalism worldwide, with a growing number of over **134,000** RICS professionals and Regulated Firms bringing confidence to markets through the consistent delivery of standards. Besides working to promote robust and well-functioning property markets through standards and regulation, we also effect positive change in the built and natural environments through promoting best practice, insights and thought leadership on key issues.

With up to seventy per cent of the world's wealth bound up in land and real estate, RICS works to safeguard and support stable, sustainable investment and growth internationally in the public interest. For more information, please visit [rics.org](http://rics.org).

### SAMWOH CORPORATION PTE LTD

Samwoh is a leading AI integrated civil infrastructure company that delivers innovative, sustainable and productive solutions. It operates the entire value chain with its own production facilities, logistics and engineering expertise to offer a full suite of construction services which includes supplying of building materials, recycling of construction wastes, designing and construction of roads, expressways, flyovers, underpasses and airfields as well as geotechnical work and pipeline jacking that involves deep excavations.

Samwoh boasts a large base of local clientele of government agencies and associated bodies including CAG, DSTA, HDB, JTC, LTA, PUB, URA and many private main contractors. It continues to expand its global footprint with the worldwide pavement consultancy services and a diverse collaboration with strategic partners and renowned institutions.

Backed by its cutting-edge research in construction materials and technologies, Samwoh is staying ahead of the competition with the development of new innovative products and opening up new markets while contributing significantly to the 'greening' of the Built Environment.

Over the years, Samwoh has received numerous prestigious awards in recognition of its outstanding business

### RMIT SCHOOL OF ACCOUNTING, INFORMATION SYSTEMS AND SUPPLY CHAIN

The School of Accounting, Information Systems and Supply Chain (AISSC) is an innovative school, offering unique courses and subjects in line with the changing needs of industry. The School is made up of four distinct departments each offering industry leading programs at undergraduate and postgraduate level. The School is a leader in cross-disciplinary collaboration between accounting and technology, with research outputs across all disciplines. The School is focused on establishing and maintaining innovative research projects, strong industry connections, and unique discipline areas driven by

experts of the field, professional partners and leading academics.

### RMIT SCHOOL OF ECONOMICS, FINANCE AND MARKETING

The School of Economics, Finance and Marketing (EFM) maintains high quality, innovative teaching programmes that continue to adapt to industry needs.

The School is responsible for the economics, finance and marketing programmes at RMIT University. RMIT University has partnerships with 215 universities, institutes and higher education providers around the world, for example, in Europe, Asia, North-South America, Africa and Oceania.

EFM is proud to offer a range of programmes, provide consulting services and supports an active research community, of staff, collaborators and research by higher degree students. Research is an integrated component of the subjects we teach, and our students have the opportunity to witness first-hand contemporary developments and work on real-life industry problems.

The multi-disciplinary nature of this School offers students a unique partnership with diverse research groups, centres and partners. EFM blends industry-relevant discussions through high-quality seminars, advisory boards, colloquiums and industry partner exhibitions with academic presentations and conferences, to ensure our successful blend of quality teaching with a contemporary research agenda.

## AWARDS SPONSORS

### RMIT SCHOOL OF ENGINEERING

RMIT's School of Engineering is renowned for its industry-relevant high-quality teaching and research, its globally competitive graduates and its international linkages. Our vision is to be recognised for innovative, industry-relevant teaching and research, and work-ready graduates. RMIT engineering is now ranked 116th in the world and sixth in Australia (Source, QS World University Rankings by Subject 2022). The School has achieved significant successes across different application areas and industry sectors. These successes place us at the pinnacle of science and technology institutions in Australia and overseas.

### RMIT SCHOOL OF MANAGEMENT

The School of Management provides programmes in management, entrepreneurship, human resource management and international business. The School offers programmes to approximately 3,500 students at Bachelor, Master and PhDs levels across Melbourne and Asia (Singapore, China and Vietnam).

The School has a focus on management in context and is committed to the principles of socially responsible management and entrepreneurship and to sustainable work from a global perspective. The School carries out applied research partnering with industry to solve business problems with research strengths in the areas of People, Organisations and Work, Entrepreneurship and Innovation and Social Change.

### RMIT SCHOOL OF DESIGN

The School of Design is internationally recognised as a leader in design education, research and practice that is industry connected, socially grounded and focused on the future practices of design. With an impressive academic staff team, deep industry connections and leading edge facilities, the School provides leadership in new and emerging fields of design. From undergraduate programs to advanced research and PhD degrees across a spectrum of digital, industrial and communication design disciplines, the School of Design brings together a rich community of students, teachers, researchers and industry professionals that celebrate the possibilities of interdisciplinary collaboration and individual creative exploration.

### RMIT SCHOOL OF MEDIA AND COMMUNICATION

The School of Media and Communication at RMIT University pushes the boundaries of digital knowledge creation and future-orientated practice. A deep engagement with media and communication industries and the community allows our research and teaching to respond to global conditions with creativity and innovation. Our students embrace agility and flexibility to drive a field that is always evolving, with emerging specialisations and new roles in an increasingly dynamic world.

## AWARDS SPONSORS

### RMIT SCHOOL OF PROPERTY, CONSTRUCTION AND PROJECT MANAGEMENT

The School of Property, Construction and Project Management offers the full spectrum of opportunities for students from short courses to research degrees. The international perspective adopted by the school has helped to consolidate its position as the premier provider of construction management, project management and property programmes in the Asia Pacific region.

The School has offered the Bachelor of Applied Science (Construction Management) (Honours) in Singapore since 1997 and is taught by RMIT academics as well as local academics and practitioners in the industry. The School is helping shape the manner in which management and knowledge is developed and disseminated, and in the process, guiding its students towards careers in their chosen fields.

## **RMIT IS A MULTI-SECTOR UNIVERSITY OF TECHNOLOGY, DESIGN AND ENTERPRISE, WITH MORE THAN 96,000 STUDENTS AND CLOSE TO 10,000 STAFF GLOBALLY.**

The University's mission is to help shape the world through research, innovation and engagement, and to create transformative experiences for students to prepare them for life and work. Postgraduate, undergraduate, vocational education, foundation studies and online programs offer students a variety of work-relevant pathways.

As a global university, RMIT has two campuses and a language centre in Vietnam and a research and industry collaboration hub in Barcelona, Spain. Programs are also offered through partners in locations including Singapore, Hong Kong, Sri Lanka and mainland China, with research and industry partnerships on every continent.

Strong industry connections forged over 135 years and collaboration with industry, remain integral to RMIT's leadership in education, applied and innovative research, and to the development of our graduates as highly skilled global citizens. Alongside

industry-relevance, creativity and inclusivity are hallmarks of an RMIT education.

We are driven to make a positive impact in the communities where we operate, and no time in our history has been more filled with challenge and change than right now. RMIT's links with employers and universities across the world continues to enable students and staff to benefit from the exchange of ideas and research in other countries.

RMIT is also a place for lifelong learning, offering educational pathways between our programs and between learning and work. We are proud of the achievements of our graduates, who often return to refresh and update their skills or prepare to engage with new opportunities.

RMIT has continued to consolidate its reputation as one of the world's leading academic and research institutions. It was ranked 74th globally in the 2022 QS Graduate Employability Rankings, 33rd in East Asia and the Pacific, and eighth in Australia for employer reputation. The University also placed third globally in the 2021 Times Higher Education Impact Rankings for its work to address the Sustainable Development Goals.

RMIT was ranked 190th in the 2023 QS World University Rankings, 244th globally in the 2022 US News Best Global Universities Rankings and is in the world's top 400 in the Academic Ranking of World Universities (ARWU). RMIT also ranked in the world's top 350 in the 2022 Times Higher Education (THE) World University Rankings.

## ABOUT SIM

The Singapore Institute of Management (SIM) is Singapore's leading private education and lifelong learning institution, recognised for equipping individuals and enterprises to be future-ready and empowering them to fulfil their highest aspirations.

Founded on the initiative of the Economic Development Board in 1964, SIM has a solid 57-year track record in supporting manpower development for Singapore's growth. Today, we remain fully committed to providing innovative skills-based learning experiences and opportunities that deliver results.

Our vibrant learning ecosystem provides a dynamic network that helps enrich the expertise and experiences of over 172,000 alumni, 16,000 students, 34,000 members as well as a diverse range of PMETs and their enterprises, both locally and beyond.

### SIM GLOBAL EDUCATION

#### **Holistic higher education for a global edge**

SIM Global Education (SIM GE) is a leading private education institution in Singapore.

We offer more than 80 academic programmes ranging from our own diploma and graduate diploma courses to Bachelor's and Master's programmes with top ranking and reputable universities from Australia, Europe, the United Kingdom and the United States. Our current enrolment stands at about 16,000 full and part-time students and adult learners. About 30% of our full-time students are international students hailing from over 40 countries.

SIM GE's holistic learning approach and culturally diverse learning environment aim to equip students with an all-rounded global education. Besides building competencies and skills needed to thrive in the real world, SIM GE also hones the soft skills of students through a wide range of student life, career development and networking activities.
